

McGlothins Return From Vacation

Mr. and Mrs. Orville McGlothin of 1349 West 218th st., their daughter, Linda, and son, Dennis, just returned from an extended vacation to Detroit, Michigan.

The McGlothins returned with one new addition to the family—a 1953 Pontiac hard-top convertible. Mrs. McGlothin was heard to say: "Happy to be back... no more Michigan vacations for me—it's just too, too hot!"

KNOW YOUR REALTY BOARD

By **GRACE HINSHAW**

Theresa Russell Denton, saleswoman for Howard J. Percy, Realtor, 2224 Torrance Boulevard, Torrance, was born in Ogden, Utah, of deaf mute parents, which put her on her own from the beginning. This early training in self-reliance has carried her through many situations which might have bested a lesser person.

Theresa came to Southern California in the days when Clifford Reid was in the throes of developing Hollywood Riviera and when one could buy property for \$1.00 down! She settled her family in Covina, but never quite erased from her mind a quick trip through Torrance on her way to see the Hollywood Riviera development. A property trade was effected and Theresa and her brood moved to Torrance where she continued her work as a distributor for a pharmaceutical company to support her family, and in odd moments developed a knowledge of real estate as her avocation. This spark of interest in real estate was soon fanned into a flame and the avocation became the vocation.

MRS. RUSSELL L. DENTON

Raising four children, making a home for them and earning their living has left little time for anything but the main money-earning activity. But even if this were not so, Theresa says she would be hard pressed to find anything she enjoys more than busying herself with her real estate activities.

Now, after so many years of activity, Theresa is taking a month's respite, and accompanied by her new husband (they were just married last June!) and her

seven year old son Forest Russell, she is driving to Winnipeg, Manitoba, Canada, Mr. Denton's home. Mr. Denton is in the Merchant Marine and has, of course, been everywhere a ship can travel. So this will be a little change of scenery.

Brood over your troubles and you will have a perfect hatch.

Board Meets Dr. Sheblak, Waleria School Principal

Dr. Vernon Sheblak, new principal of the Waleria School, was introduced to the members of the P-TA Board recently. The meeting took place at the home of Mrs. Henry Fink, 3924 Newton st., Waleria. During the meeting, Mrs. Frank Thrantham was ratified as assistant welfare chairman.

A committee has been formed to plan a luncheon for the teachers to be held during the week of September 7.

E. F. Schoonover gave a report on his purchase of lumber to be used in the construction of booths for the Halloween Carnival.

Mrs. Earl Cramer announced that Mrs. Dorothy Law will give a series of lectures on parent education to be held at the Seaside School in September.

At the conclusion of the meeting, D. Boone Kirks was surprised with a gift of a portfolio given him by members of the Board in appreciation of his service to the school for the past six years as principal. Kirks is being transferred to Torrance Elementary School.
